2. The purpose of the Order of the Arrow

As Scouting’s National Honor Society, our purpose is to:
a. Recognize those who best exemplify the Scout Oath and Law in their daily lives and through that recognition cause others to conduct themselves in a way that warrants similar recognition.

b. Promote camping, responsible outdoor adventure, and environmental stewardship as essential components of every Scout's experience, in the unit, year-round, and in summer camp.

c. Develop leaders with the willingness, character, spirit and ability to advance the activities of their units, our Brotherhood, Scouting, and ultimately our nation.

d. Crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

SECTION II. Membership - Information and Procedures

A. ORDEAL HONOR QUALIFICATIONS

Youth candidates are designated as those under 21 years of age. Adult candidates are 21 or older at the time of election.

1. Be a registered member of the Boy Scouts of America.

2. Have experienced 15 nights of camping while registered with a troop, crew, or ship within the two years immediately prior to the election. The 15 nights must include one, but no more than one, long-term camp consisting of at least five consecutive nights of overnight camping, approved and under the auspices and standards of the Boy Scouts of America. Only five nights of the long-term camp may be credited toward the 15-night camping requirement; the balance of the camping (10 nights) must be overnight, weekend, or other short-term camps of, at most, three nights each. A member not with their Unit at long-term camp is eligible if they attend a full-term High Adventure base, a Jamboree, the Council's National Youth Leadership Training, another week-long Scout camping program, or week-long Wood Badge in the same year prior to the Fall Reunion. Ship nights may be counted as camping for Sea Scouts.

3. At the time of their election, youth must be under the age of 21, hold the Scouts BSA First Class rank, the Venturing Discovery Award, or the Sea Scout Ordinary rank or higher, and following approval by the
Scoutmaster, Crew Advisor or Sea Scout Skipper, be elected by the youth members of their unit.

4. Adults (age 21 or older) who meet the camping requirements may be selected following nomination to and approval by their Unit’s adult selection committee.

5. A scout may withdraw from the election upon their own request before or after the election.

6. The unit leader must certify each candidate as to their scouting spirit and participation. The Unit Leader must certify that each candidate meets the specified requirements by completing the citation. A signature or lack thereof (veto) on their citation indicates certification or veto appropriately.

7. Adult candidates are subject to the approval of the Scout Executive. The Scout Executive may choose to authorize a waiver for adults for long term camp to qualify for resident camping experience over the two-year period, upon individual written petition stating reason why six consecutive days of resident camp is unattainable. Only conditions related to job security or health is considered. No further interpretation or alternatives are to be considered. This must be done two weeks before the election at the unit Committee Meeting.

B. ORDEAL ELECTION PROCEDURES

1. An Order of the Arrow election may be held by any Unit in the Greater St. Louis Area Council.

2. Who may vote in the Election?
   a. Youth Election: Every registered unit member under 21 years of age present for the election may vote. Adults may not vote on Youth candidates.
   b. Adult Election: Every unit registered adult present at the election may vote. Youth may not vote in Adult candidate elections.

3. When and Where are Elections to be Held?
   a. During the unit’s stay in Greater St. Louis Area Council long-term camp. Units camping at a long-term camp outside of the
Greater St. Louis Area Council must follow the Elsewhere Camp Election procedures. Procedures are available at council offices or on the Lodge website.

b. Adults must be elected by the registered adults at a committee meeting prior to camp. Prior to the youth election, the adult unit leader will provide a list of adult names in order of potential election to the youth running the election. The number of adult candidates is not longer than one-third of the eligible youth members up for election. After the youth vote has been tabulated, the appropriate number of adult leader citations is submitted, as specified elsewhere in these by-laws. An adult may ask that their name be removed on any specific condition. If removed by the unit leader, no substitutions of an additional adult are allowed. The potential for that adult candidacy position for that year is cancelled.

c. A unit may hold only one youth and one adult election during any calendar year. To elect an adult, a valid youth election must be held in that same year and at least one youth candidate must be elected.

4. **How many Scout Candidates may a Unit Elect?**

a. There is no maximum or minimum number of candidates a unit may elect.

b. To be elected, a candidate must receive votes from at least 50% of those registered and active members participating in the election. A voter may list any combination of names, including all eligible candidates they believe are worthy to become members of the Order of the Arrow.

5. **How Many Adult Candidates May a Unit Elect?**

a. Registered adults may elect adults of their unit to membership during any given calendar year. The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up. In addition to the one-third limit, the unit committee may nominate the currently-serving unit leader (but not assistant leaders), as long as he or she has served as unit
leader for at least the previous twelve months at the time of the youth election.

b. The adult election should be held at a regular Unit Committee Meeting. Every registered leader in attendance may vote. Follow youth election procedures as possible.

c. An adult Scouter should only be elected to membership when their job in Scouting will enable them to make the Order of the Arrow program more meaningful to the lives of the Scouts, as the Order is principally a youth led organization. Adult Scouters are not elected to membership as recognition.

d. Adult Scouters not registered with chartered units may be elected to candidacy by the Lodge Executive Committee. The camping requirement may be waived at the discretion of the Scout Executive.

e. Members of the Council’s Executive Staff are members ex-officio of the lodge, and when newly appointed, if they have not previously been inducted into some lodge of the Order, should be given an early opportunity to complete the Ordeal and the Ordeal ceremony. Camp staff members are to be elected in their own unit or if they are council or district scouters, they should be elected by the Lodge Executive Committee.

6. **Method of Election at Summer Camp**

Only those members of the Unit in camp may vote. Voting on candidates should not be on a basis of popularity, but with a view to electing those who have shown a well-developed spirit of brotherhood, overwhelming cheerfulness no matter how tiresome their duties, and a ready willingness to give service unselfishly and wholeheartedly to others at all times.

The Troop or Program Counselor or Chapter Officer conducting the election will discuss with the members of the unit the purpose of the Order, the eligibility requirements, voting procedures, and how a candidate is inducted. They may explain the emblems of the Order and the significance of the Indian tradition in the Order.
The election team is a youth member of the Order of the Arrow as designated by the lodge and the unit leader. The youth member of the Order of the Arrow designated by our Lodge is in charge of the election. They are assisted by a unit leader. Only those previously defined in these rules as eligible voters may vote.

The unit election is by secret ballot and is conducted in the following manner:

a. The unit leader provides a list of all members of the unit whom they certify have met all eligibility requirements. This is posted or handed out to each voter in terms of a ballot so that all members participating in the election may see it.

b. The members of the unit then vote, by listing or marking on the ballot the names from the eligibility list of those persons they believe worthy of the honor. They may vote for no one other than the specified eligible candidates. Scouts are not to be encouraged to vote for an individual or for a specified number of candidates.

c. The election team counts the number of ballots turned in.

d. The team determines the number of votes a Scout must receive by counting the number of ballots turned in dividing by two and rounding up.

e. The election team fills out a citation for each person elected. The citation must be signed by the unit leader and the Arrowman conducting the election.

The unit leader may veto the election of any candidate after the election by refusing to sign the candidate's citation. However, if one candidate is vetoed, another may not be substituted in their place. The unit will have one less candidate than the number which were originally elected. It is suggested that the unit leader should consult with the other adult leaders who are present at the election before exercising their veto. However, this is the option of the unit leader.

7. **Ordeal Citation Procedure**

Immediately following the election, the unit leader should fill out the citation(s) and follow the procedures listed below:
a. If at Council camp - turn in citation(s) at camp office.

b. If elected other than at a Greater St. Louis Area Council camp, mail or deliver citation(s) to the Camping Service at our Boy Scout Service Center by June 15.

8. **Time Limitation on Completion of Ordeal**

   a. A candidate must complete their Ordeal at either of the first two Lodge functions at which induction is possible after their election. If a candidate is not in attendance due to illness or some other reason approved by the Lodge Chief, the candidate may be inducted at the next following event. If a candidate is not inducted within this time, their election is void. Such a candidate may be re-elected the next year.

9. **Special Needs Scouts and Adults**

   a. The Lodge Executive Committee will have the power to waive the camping eligibility requirement of Special Needs Scouts as stated in the present Ordeal Honor.

   b. Qualifications: Individual Ordeal applications are considered by a committee appointed by the Lodge Chief. Upon recommendation of this committee, the application is to be submitted to the Lodge Executive Committee for a formal vote to approve the nomination.
